

ELETRICA

- Professional equipment
- Stiffened AISI 304
- Gears in tempered steel turning on ground pins
- Self-lubricating bearings
- Regulator knob with numbered indicator for 10 thicknesses of past sheet
- Different sizez cutting tools available
- Easy clean up
- 24 volt control
- CE approved
- Proudly Made in Italy

TECHNICAL SHEET

Power supply (Volt/Hz)	230/50
Power (Kwatt/Hp)	0,19 (0,25)
Max regolazione rulli	0-5
Max larghezza sfoglia	210
Velocità rotazione rulli	45
Net weight single phase (kg)	15,0
Gross weight single phase (Kg)	17,0
Dimensions (mm)	B. 220 D. 300 H. 250
Packaging dimensions (mm)	B. 420 D. 350 H. 370
