

FSCV 350

- Professional equipment
- Structured in grade AISI 304 s/steel
- Cycle ending electric valve
- Needle Vacuum measurer
- Digital display control
- Suitable for smooth and embossed vacuum bags
- Self-lubricated Vacuum pump that won't require routine maintenance
- Electronic process control
- Single-program digital electronic card
- Automatic cut-off microswitch for lowered working cycle
- Bell stop
- 220 voltage
- CE approved
- Proudly Made in Italy

TECHNICAL SHEET

Power supply (Volt/Hz)	230/50
Power (Kwatt/Hp)	0,45 (0,60)
Barra saldante	350
Dimensione Camera	360x400x190
Pulsometro	Q=12
Net weight (Kg)	50,0
Gross weight (Kg)	55,0
Dimensions (mm)	B. 460 D. 500 H. 420
Packaging dimensions (mm)	B. 650 D. 560 H. 530
